Dear Mr. Mleczko,

On behalf of Salvation with Faith and Love Foundation (SFLF), I would like to thank you so much for your very generous contribution donation of 1 Generic Desktop to SFLF.

SFLF, is a Civil Service Organization, initiated and based in Madang Province. Our primary services are in health and Education, particularly to serve the underprivileged children, youths and mothers within the peripheries of Madang Town, and hoping to extend in future to other parts of Papua New Guinea.

SFLF is in its infancy stage and the only source of revenue is through our mini food bar & beverage bar as we project to revitalize its administration & operation.

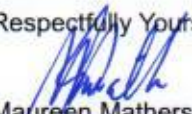

Because of your generous donation our Principle has a computer to run our Technical and Vocational Education Training materials electronically for our students to enjoy the course through Power Point presentations.

Kind donations like this will help our CSO, to continuing its job in supporting a lot of marginalized people of Madang Province.

We value and acknowledged your kind generosity and look forward to working with you

Thank you and look forward to hearing from you soon.

Respectfully Yours,

  
Maureen Mathers (Mrs.)  
Co-Founder / Managing Director
