Dear Sir,

**SUBJECT: LETTER OF APPRECIATION FOR DONATION**

Lutheran Day Primary School, its staff and students take this time in saying a big thank you to you, your staff and Veniba for your timely and unprecedented donation of two desktop computers to the school.

The school will surely benefit greatly from your donation in the area of students' assessments and reporting. This would also help in the teaching and learning processes using programs such as Microsoft Encarta, Encyclopedia and others.

Once again we sincerely thank you and wish you and your company prosperity.

Thank you very much.

Yours faithfully,

Mr P.N Siwi  
Head Teacher
